Marsa Beaudoin

In this changing and advancing world, we, as individuals must also advance; not only materially but physically, emotionally, morally, and mentally. It is the goal of the faculty and administration to prepare us to meet these challenges. However, the ultimate responsibility rests upon us.

Physical training that we now receive may determine our future health.

The emotional responses that we are presently forming are indicative of our attitude toward future situations.

Morals that we practice are the ones that will someday be instilled into our children's minds.

The facts are taught to us, but we must supply the wisdom to accurately apply them in the future.

We have been given the opportunity to develop these attributes; now it is up to us to prove that we are capable of doing so.

Pam,
You're really darling & I appreciate the rides home. God luck with Dave & See you next summer. Have a great summer & every minute I have come forget how sweet you are. (I like hearing all your problems) haha

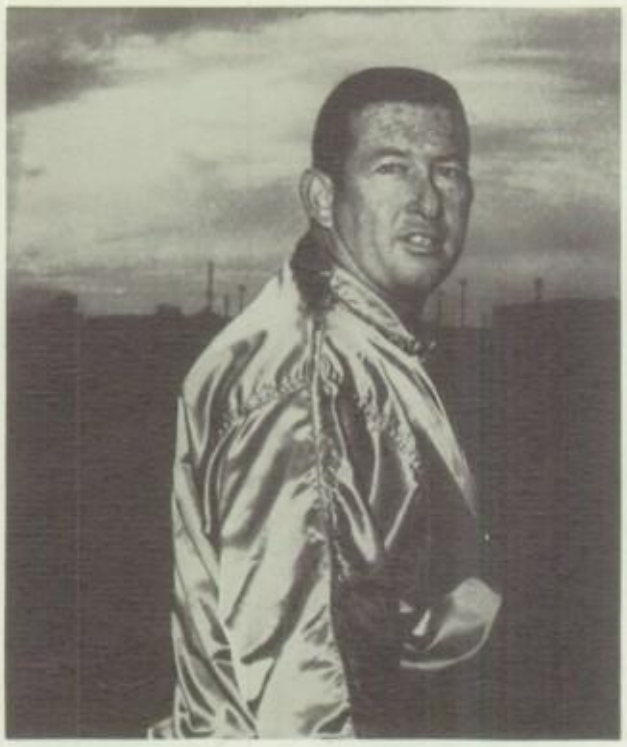
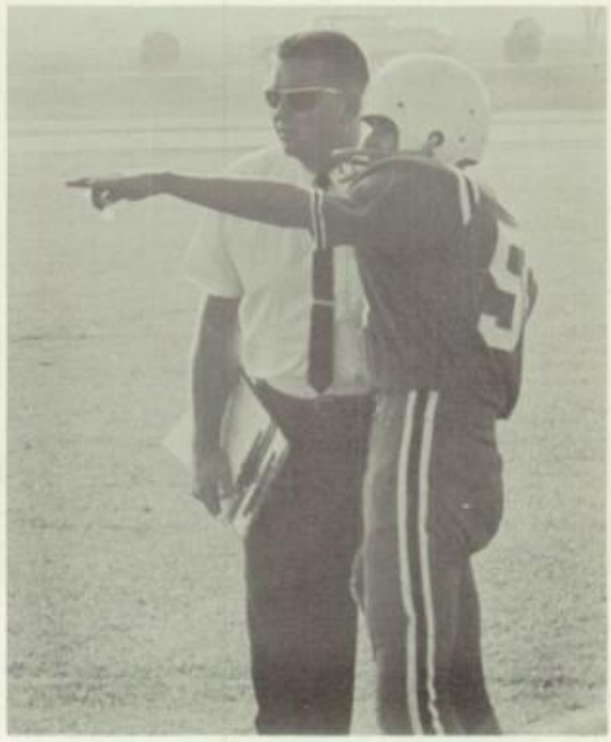
MR. DON BURNS

Dedication



Costa Mesa's answer to John Wayne



"You say there's a sailboat on the football field?"

Because he is a cheerful person and enjoys working with young people, one of the most popular figures around our campus is Coach Don Burns. His ever present smile and sincere interest are just two of the reasons why comments such as "He's a terrific guy" and "Coach is just great" are heard so often.

Donald Edward Burns was born in Santa Ana in August of 1926. He graduated from San Diego High and then served two years in the Air Force. Returning to school after his military service he attended Santa Ana Junior College and the University of California. After receiving his B.S., he started teaching in the Los Angeles School District in 1951 and taught there for three years before moving to Harbor High. When Costa Mesa opened he transferred here as a member of the teaching and coaching staff. Mr. Burns now attends Chapman College and is working on his Master's degree.

During Easter and summer vacations Coach Burns can be found most often at the beach where he has worked as a lifeguard for fifteen years. He also finds time in between coaching after school sports and going to school, to participate in his favorite hobbies, surfing and sailing.

Along with being an excellent teacher and coach, one of Coach Burns' most notable qualities is his genuine concern for youth. He enjoys working with teenagers and has devoted much of his time to the young people of this area and because of this he is respected and admired by all who know him.

We, the Roundup Staff of 1965, would like to take this opportunity to thank Mr. Burns for his many contributions to the community, the school and its students, by respectfully dedicating to him, the 1965 Roundup.

PRINCIPAL

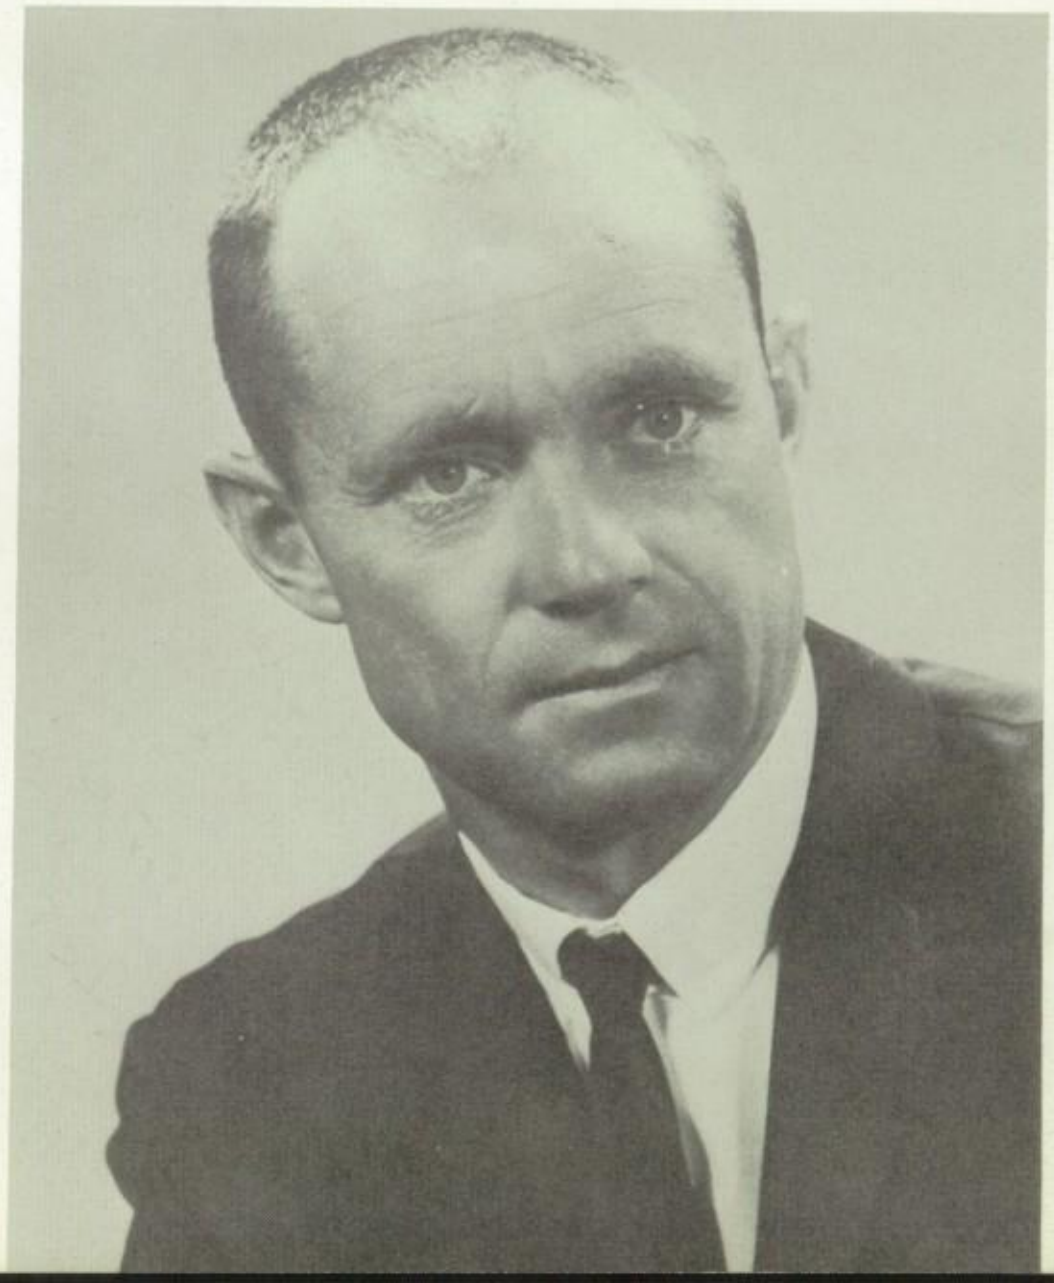
As our school has matured, changes have come. We have undertaken changes in class organization such as team teaching and data processing, student government and student activities. These developing ideas have increased the responsibility and participation of the entire student body. We have also undertaken an evaluation of our entire program which will provide the insight to continue growing. Change, growth, maturity, we have all contributed and benefited.

John H. McGowan

ASSISTANT PRINCIPAL

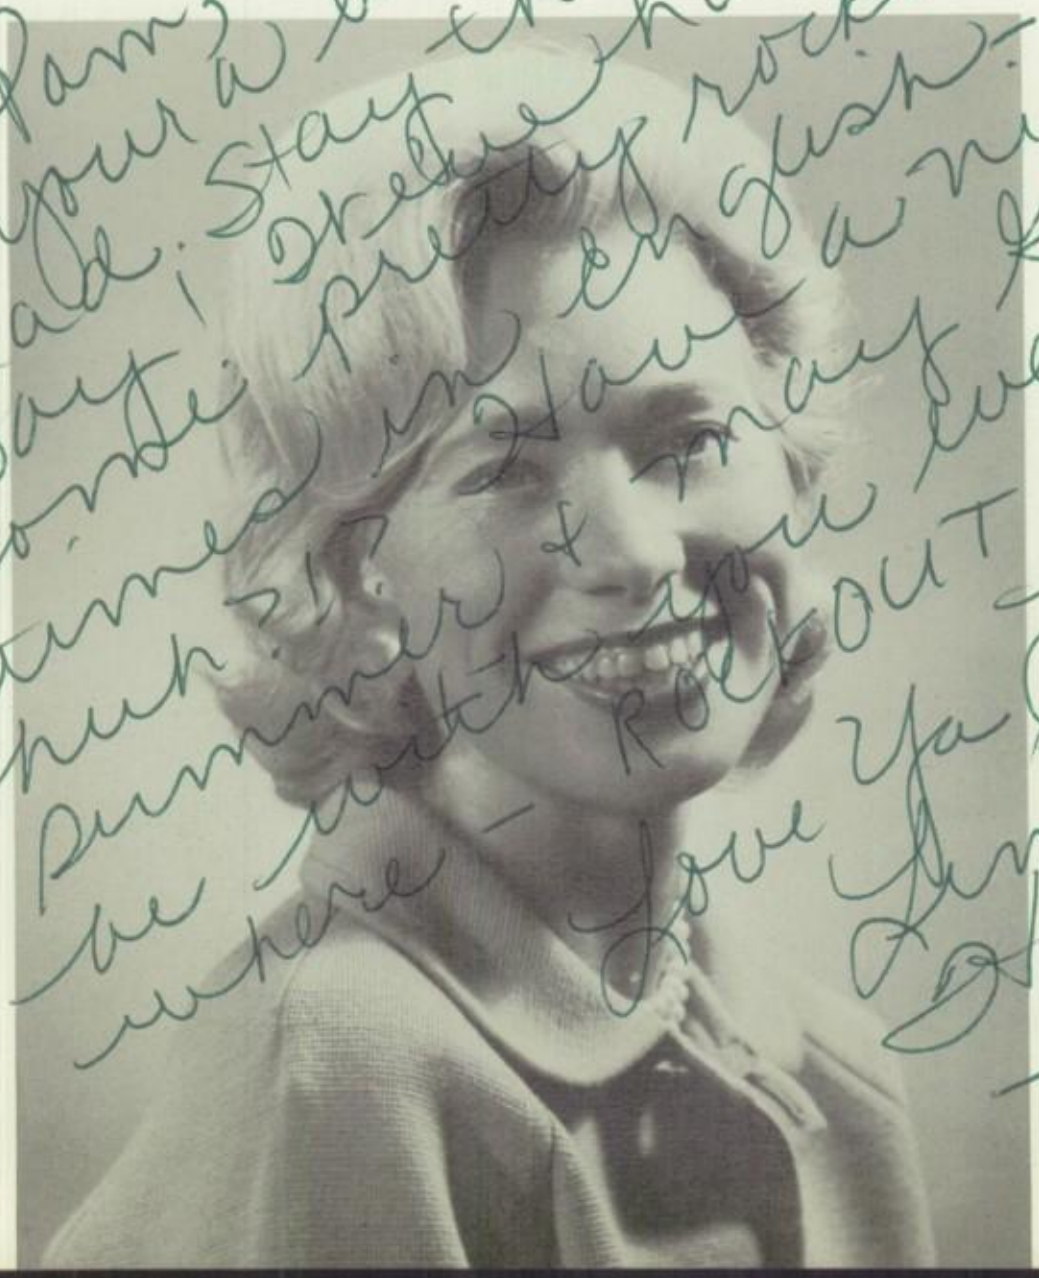
Costa Mesa High School has grown and will continue to grow in ways more important than student population. Our extra-curricular program has been expanded and the curriculum more interesting. Our student Council and Congress have initiated new programs which have been met with enthusiasm by the Student Body. In the future, new obstacles will present new challenges, but without question C.M.H.S. will use the challenge and continue as one of the top schools in Southern California.

Lee Beckett



BOYS VICE PRINCIPAL

The paramount objective that has dominated my planning for this school year has been the development of student leadership at all levels. Emphasis has been put on building the school to new heights through stressing a greater sense of student responsibility in the solution of campus problems.



GIRLS VICE PRINCIPAL

Accomplishments at Costa Mesa High School have been many over the past few years. Team Teaching, Data Processing, and The Work Experience program have been newly introduced while recognition has been given to many students for their outstanding work in science, math, and agriculture. These accomplishments and many more have contributed to make Costa Mesa High the outstanding school that it is today.

A.S.B. PRESIDENT

The 1964-1965 A. S. B. President, Ted Bandaruk, was known to the students of Mesa High for his friendliness and school spirit. As Student Body President he had many duties. Each morning he lead the entire school in the flag salute and many times gave the first period announcements. His most important job was being head of Student Council, which controls nearly all student activities and works with the administration.

During the past four years, Ted participated in many extra-curricular activities. In his Freshman year, Ted went out for Junior Varsity baseball, but as Ted put it, "I was number nineteen and there were only eighteen uniforms." As a sophomore he played "Bee" football and was on the Junior Varsity wrestling team. As Junior Class President of 1963-1964 he initiated many new ideas. Under his direction the Junior Class of that year organized and held the first Marty's Corral and the first Powder Puff football game. Also during his Junior year Ted played "Bee" football. In his Senior year he played on the defensive black team of the Varsity football squad.

Following graduation, Ted plans to attend California Western University at La Jolla. After two years at Cal Western he plans to transfer to either a Dental or Veterinary School.

TED BANDARUK

CABINET

The A.S.B. Cabinet was not a part of student government in itself but its members held various positions within the structure of our student government. They were elected along with the A.S.B. President in the spring elections. The Vice-President presided over the Student Council in the absence of the President and was the President of Student Congress. The Secretary took minutes at Council meetings and conducted all correspondence. The Treasurer kept all records of financial matters. The Student Court Judge presided over the Student Court and was in charge of Student Control. The California Association of Student Councils Representative (C.A.S.C.) attended meetings with all high school councils of Orange County and was a member of the Student Council. The Cabinet members were a vital part of our Student Government.

When the 1964-65 Student Council first met, it was in a unique position because not one of its members had previously served on the Mesa High Student Council. Its main traditional purposes are to manage the ASB budget and to foster and support extra-curricular activities. Two big projects of this years' council were the creation of the Inter-Club Council and Student Code of Conduct. Mesa's Student Council and Student Congress worked in conjunction on the formation of the Student Code of Conduct. In addition, the council established traditions concerning Homecoming Activities by adding to the number of princesses and devising a new method for their selection. It also changed the charity collection from "Total-All-Giving" to the United Fund and donated $500 this year. One more complex undertaking by council members was volunteering to plan and organize a dance called the Battle-of-the-Bands-Play-a-Thon for the three high schools in this area. All proceeds went to the March of Dimes. It was evident that this year's Student Council was not handicapped by its initial inexperience, as it proved to be extremely active, creative, and completed its term with a long list of accomplishments.

Student Congress was composed of members elected by each English and Senior Social Studies class. Their purpose was to give the Student Body an avenue of communication with Student Government. This year they worked on the Student Code of Conduct, revised student elections and worked on the possibility of a student store.

STUDENT ACTIVITIES

Student Service is a standing committee of the Student Council. It is composed of Student Activities, Noon Activities, and the Student Control. The purpose of Student Activities is to help set up new traditions and activities. The members are students interested in the improvement of our school and the development of pride and spirit. Their first project was the Homecoming Charity Dance and they planned Big Switch Day and a dance in the spring.

The purpose of Noon Activities was to plan lunch-time activities which would appeal, and involve a large part of the student body. Some of this year's projects were: A co-ed tricycle race, a pie-eating contest, a hootenanny, wrapping people as Christmas presents contest, a fencing exhibition and many others.

NOON ACTIVITIES

ROW 1: M. Warwick, P. Smith, K. Gibson, D. Sparks, I. Rich, S. Downs, G. Bosque, C. Powers, E. Loeldes, P. Johnson. ROW 2: D. Weimers, B. Porter, S. Brown, C. Shocke, D. Kole, J. Sterner.

STUDENT COURT

One of the most responsible groups at C. M. H. S. was the Student Court. Their main job was to enforce the Student Code of Conduct, a set of ethical standards which all students are expected to observe in order to improve the school. The Student Court Judge, Tom Read, was elected by the Student Body in the Spring. His job was to preside over the court while listening to cases. The members were selected on the basis of their grades and school participation. The court listened to cases and decided punishment in an effort to put some of the responsibility for discipline in the hands of the students.

Student Control is a branch of Student Service and Nancy Gillmore is the chairman. The members of Student Control give tickets to violaters of the Code of Conduct who must then appear before the Student Court.

Every girl at Costa Mesa High is a member of the Girls' League. The board members are elected in the spring for the following year. In the fall a tea was held to welcome the in-coming Freshman girls.

This year the Girls' League's annual Christmas formal, a girl-ask-boy dance, was entitled "Crystal Mist". The tickets were completely sold out and it was one of the biggest occasions of the year. The proceeds of the dance were given in the form of scholarships to Senior girls.

They also hosted a conference for all the Girls' League officers in the county.

PRESIDENT
Jay Bayne

The Senior Class this year got an early start during the summer by making plans for and completing their Senior Square, and also by getting their Senior newspaper publications underway. The Seniors were given charge of the first dance of the year, "Marty's Stomp", which was held after the Huntington Beach football game. Their next activity was the Senior picnic. The main purpose of this was to get everyone better acquainted, which it did. They started a new tradition this year by having Recreation Nights once a month. For Marty's Corral they worked at the cotton candy booth.

The officers planned another dance for the spring and another Senior Picnic, a Bermuda Day, Senior Ditch Day, a Senior Breakfast, and Grad Night at Disneyland.

A.F.S. STUDENT

Flying across the great Pacific (by Jet) from Nagoya, Japan on July 30, 1964 came Mesa's foreign exchange student - Reiko Takahashi. Her new American family was the Brysons. Peggy, a Junior at Mesa, was fortunate in having Reiko as her sister while she was in America.

Unlike Mesa, Japan has no AFS committee in the schools, so Reiko, along with the 120 other Japanese who were finally accepted, had to go through her city government and take three different tests which enabled her to qualify. One of her obligations as an exchange student was to give many talks on Japan and her ideas of America. Many trips, however, went with her responsibilities. She traveled to Sacramento with the YWCA, and also visited San Francisco, Palm Springs, and Disneyland. Just before she leaves for Japan, a three week bus trip has been planned for her and the other exchange students to Washington and New York.

The academic life in Japan as compared to the United States, says Reiko, is emphasized more than their social life. She took twelve subjects at her other school. Some of the subjects she had which were not offered at Mesa are Chinese classics and philosophy. Japan's music program was not quite as extensive as ours either.

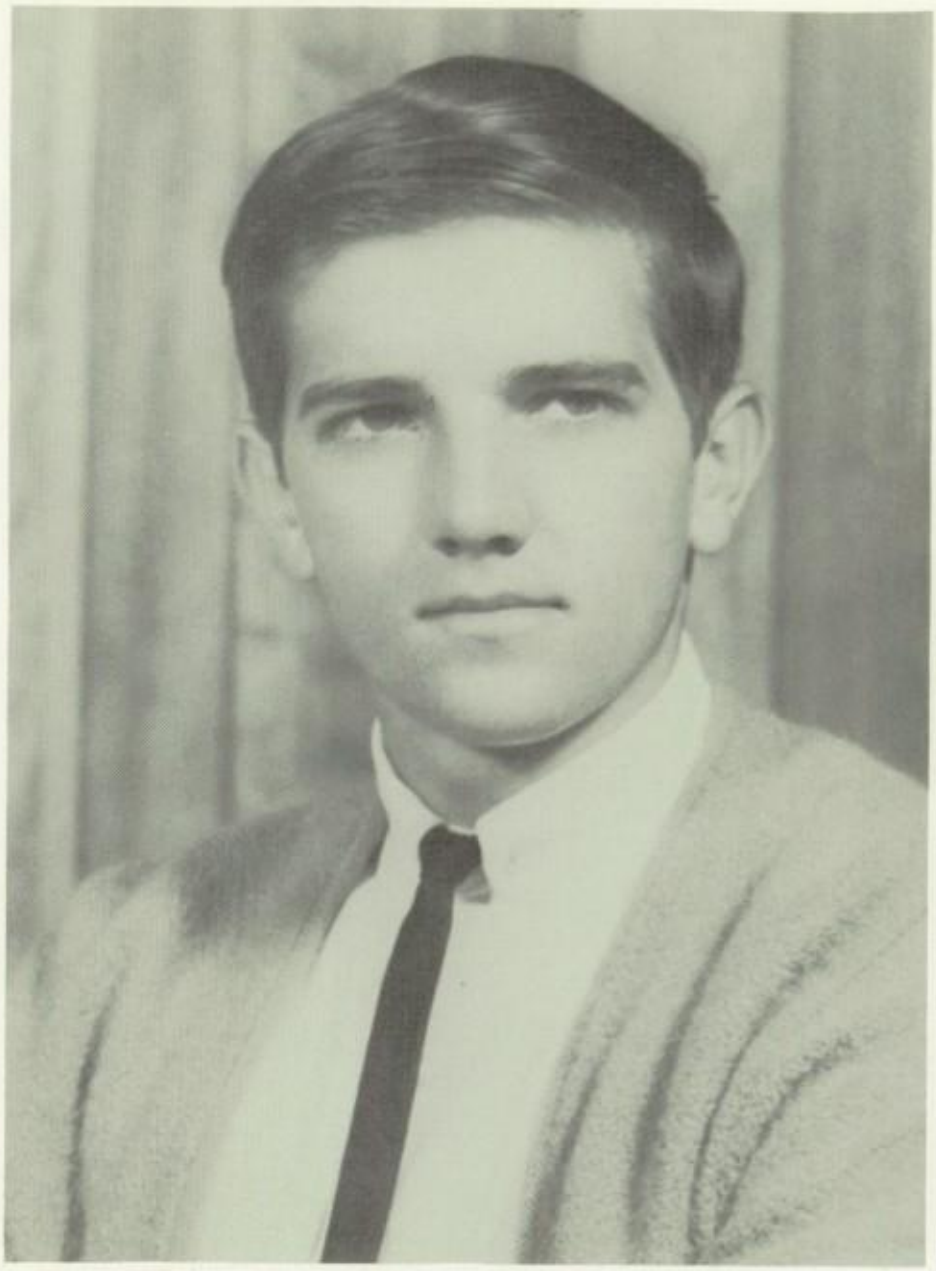
After returning to Japan she will have to finish her Senior year, as this year does not count for her. She later plans to work with the YWCA and the AFS. Reiko expressed the desire to return to the U.S. but due to rules that the AFS has set up she will not be able to for at least two years.

JUNIORS

ADVISORS

Mr. P. Myers

Mr. J. Grothus



PRESIDENT
John Hutcherson

The main responsibility of the Junior Class was to raise money for the Prom. The traditional money raising projects sponsored by the Juniors are Marty's Corral and the Powder Puff Football Game. This year both were a great success. The fun lasted all day, starting in the morning with the Powder Puff Game, followed by Marty's Corral and then the Hootenanny and dance that evening. Later on in the year the Juniors held a car wash, February 27, and a dance in March. The theme of the dance was hillbilly and everyone dressed to play the part. The result of all this hard work was the Prom, held on May 22, at the Lafayette Hotel in Long Beach. Music was provided by the George Liberache Orchestra. Everyone had a wonderful time and the year ended as a success for the Juniors.

Do you think the Rams will sign us up?

Smoke gets in your eyes.

Not the Plate, dummy!

Is that a camera?

Here comes Mr. Rose!

I think my sacroiliac is out of whack!

How artistic.

"And she walks like this. . "

Marty, Rah!

Mirror, mirror...

What happens when we face the boys?!

Cool it, or I'll hit you with my purse!

Gunner Gatzke

Mr. Levering took my makeup case away again.

The Good Luck Mouse.

The morning after.

See... Spot... Run...

Cozy - huh!

I'll be back to see you Mrs. Buffington.

Some days it just doesn't pay to get up!

You lose, Buckwheat!

I'll knock 'em dead in bathing suit competition.

I'm taking an eye test.

Bennett, you haven't changed a bit.

Hola Paco

Okay Art, pulling pigtails is one thing, but this is ridiculous!

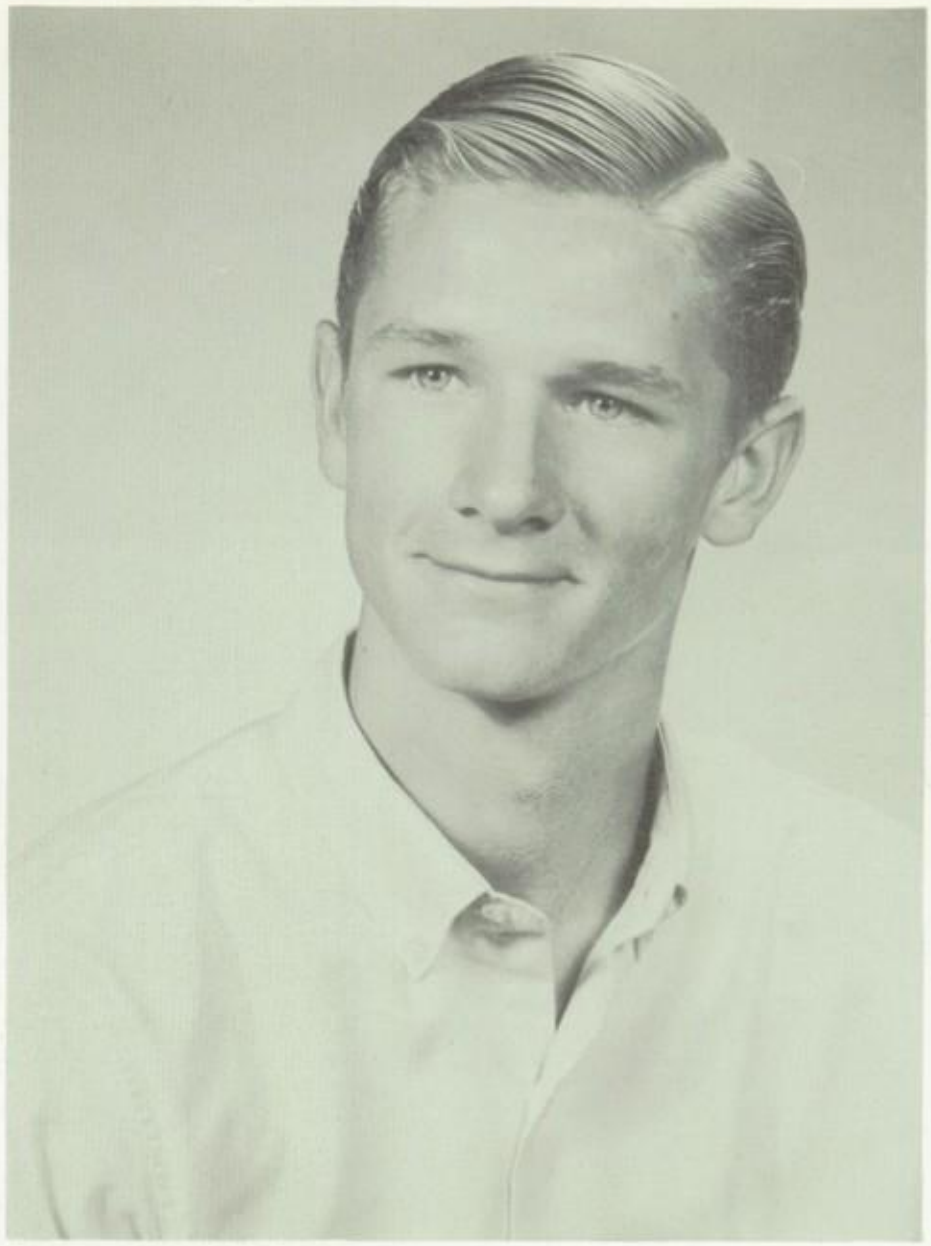
The youngest convict on record.

Oh no! It's that little brute McGavack again!

SOPHOMORES

ADVISOR

Mr. R. Levering



PRESIDENT
Tom Moran

The Sophomore Class was proud of its many accomplishments in the year of 1964-65. The responsibilities of the work involved in all activities was spread throughout all members of the class, creating an "Esprit de Corps" which will undoubtedly carry throughout its remaining two years. Following class elections in October, planning immediately began on an activity to be presented at Marty's Corral, December 5th. The project, "The Lamp Went Out", was very successful. Another event was the after game dance held in January; these two activities resulted in a profit to the class of $130. Other projects completed by the class were a "Lick Harbor" sucker sale, and the sale of yearbook covers. All in all it was a very successful year.

"Who turned out the light."

"Are you sure Liz Taylor started this way?"

Please Mrs. Pekhoff, no more exercises!

Oh spiffy-do, it's Monday.

I feel like crying every time they boo us! (sob-sob)

My shirt's caught in the bottom locker!

It's about those child labor laws!

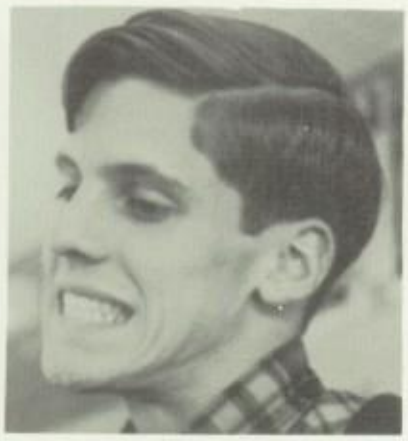
Oh nuts, the gum's on the braces again!

My gosh, it's ticking

I Can't understand it I rolled it so tight.

That's my foot you're stepping on!

We've got contacts.

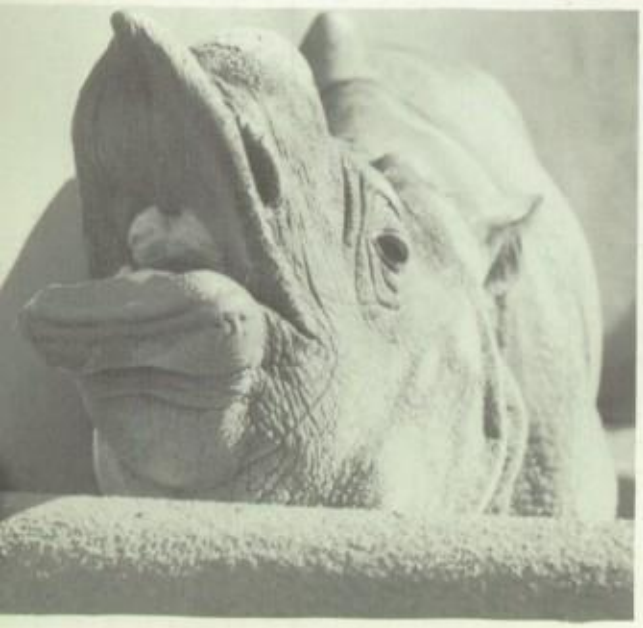


Homework - yick!

Say there!

Victory?

Miss Teen Queen?



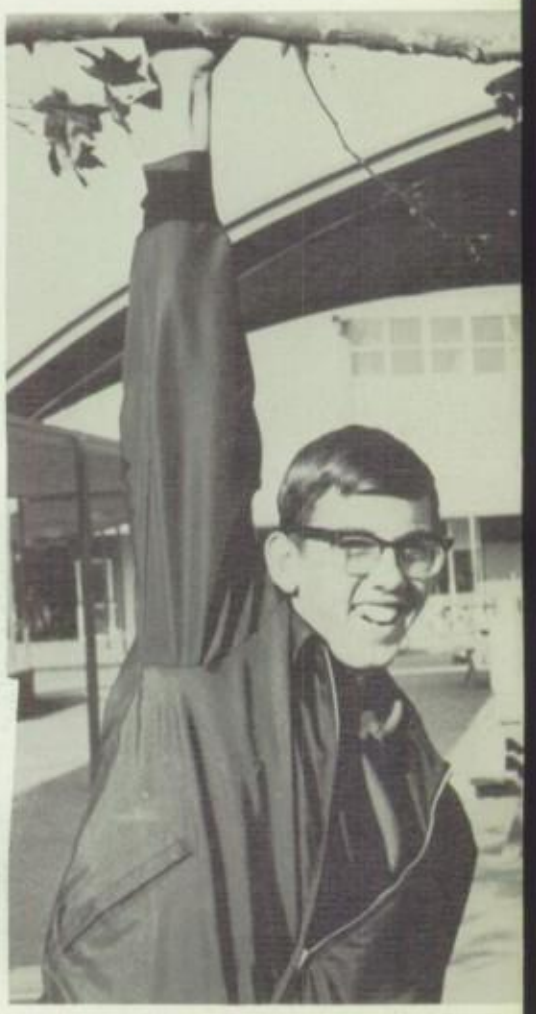
When do I smile, Mr. Zimmer?

Our Leader

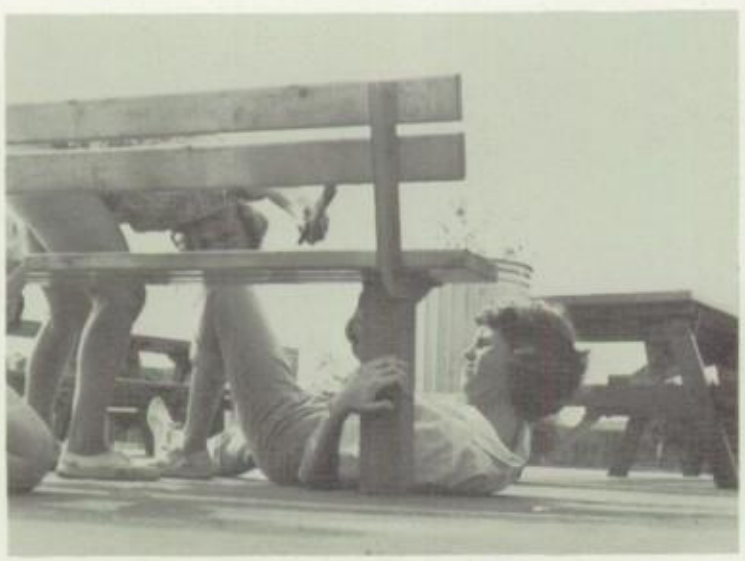
Those girls play too rough!

O.K. boys, we've got 3 minutes to make 4 touchdowns...

It won't hold still!



Say, Cheetah, baby.



Who stuck all this gum under here?

Beautiful hair-Breck.

Oh, you little doll-

You say you're a dress checker?

It's Powder puff-I told you Jim Ferryman wasn't going to play today.

FRESHMEN

ADVISOR

Mrs. B. Irwin

PRESIDENT
Dan Hoey

After the Freshmen managed to find their classes at the beginning of the year, they quickly became organized. They made a lot of money by renting slaves at Marty's Corral. The slaves were all volunteers and the Freshmen showed quite a lot of spirit by getting out and working for this project. By the end of the first semester, they were making more money than any previous Freshman class had made. They held a dance after the Mesa vs. Harbor basketball game, February 26. The band was composed of Freshmen and the dance was a big success. Even their parents showed enthusiasm when the Freshmen tied with the Juniors in the P. T. A. membership drive. In spite of the difficulties of this being their first year at this school, the Freshmen have had an exciting year to remember.

Isn't there an easier way to eat this?

Isn't this romantic?

My what big eyes
you have!

All the better to see
you with, my dear!

gurgle, gurgle, gurgle!

What do you mean, I'm arrested for indecent exposure?

Ooh! A little crummy chip!

You can't catch me in my P.F. Fliers.

Finky Forty

I passed Senior English!

My group had 20% fewer cavities.

Birdbrain McGavack

Actually, the volleyball adds a little class to the act.

Yea! McGavack's got the ball again!

Rats! We didn't make songleaders again this year!

Who are you trying to fool!

Come on Jerk, let's do the Randy!

Did Ben Casey really start this way?

Sometimes I just have to giggle.

Huh?

What do you mean there's no Santa Claus!

Let me entertain you. . .

One more word about my skating and I'll sock you in the nose!

Don't cry baby, come to Mama.

Shake it up baby. . .

A bottle of Diet-Rite will do it every time.

Oh, it tasted SOOO bad!

See the U.S.A....

Oh, say!

I dreamed I was editor in my. . .

Mr. L, our leader.

AMERICAN FIELD SERVICE

Wendy Fogwill, "Miss Matsuri", winner of the "Most Beautiful Eyes" contest held during A.F.S. Week

Sponsoring and entertaining students from foreign countries and sending students from Costa Mesa abroad, was the main purpose of the American Field Service Club. This organization also helped to promote the ideas of peace and friendship with other countries through this student ambassador program. A.F.S. sponsored a dance, called the "Matsuri" at the close of A.F.S. Week, had a marriage booth at Marty's Corral and participated in other activities dealing with the community.

FRENCH CLUB

The French Club, sponsored by Mrs. Mechling, specialized in combining learning with entertainment. The Club offered an excellent opportunity for interested French students to learn more about the culture and language of the French people. At one of their meetings, Mr. Leach gave an interesting talk on a Summer School Tour throughout Europe. His talk was accompanied by color slides.

ROW 1, S. Lane, M. Ward, B. Kramer; ROW 2, M. Sloan, Mrs. Mechling, L. Gavett.

SPANISH CLUB

The Spanish Club sought to learn much about the Spanish people and their customs. This was done through its activities which included many field trips. The members also saw slides and pictures of Mexico, and listened to many guest speakers at the meetings. Another activity enjoyed by the club was a Club Dinner.

ROW 1. D. Sizemore, J. Szabo, L. Huntley, S. Clark, D. Morgan, M. Kesler, M. Spuhler; ROW 2. D. Mihern, S. Gilmore, B. Hornsveld, R. Anderson, S. McTiernan; ROW 3. D. Farris, M. Schuyer, C. Price, P. McKennan, K. Goslin, V. Filter, A. Halvorsen.

GERMAN CLUB

Promising a greater interest in the study of the German language as a cultural and scientific communication was the main objective of the German Club. This club also provided the opportunity for the study of Germany, especially its geography, people and culture. The club also sought to prepare the members to become effective diplomats in and for the United States.

"It's all Greek to me."

STUDENT SPEAKERS

This year the Student Speakers were pupils in Discussion - Debate classes, Speech classes, and students interested in speaking in tournaments. Many tournaments and debate were open to schools in the surrounding vicinity and whenever Mesa was represented, our speakers brought home the victory trophies and honors.

"You want to return a cupcake?"

Always the same pep talk.

FRONT: M. Sewell, S. Hale, Mr. Anderson. BACK: B. Yang, D. Dodd.

CHESS CLUB

Chess Club members enjoyed improving their skills in chess this year. They learned different techniques by playing the game every Thursday after school. The club also had matches between Mesa, Harbor, and Corona High Schools. They had a booth at Marty's Corral for one of their activities. At their meetings they also scheduled future plans for other matches.

"Let me think about that move a while."

I'm so thrilled?!

QUILL & SCROLL

The International Honorary Society for High School Journalists, along with the journalism teachers at Mesa, selected these students to become members of Quill and Scroll. Students from the Hitching Post and the Roundup were chosen for their outstanding work in their field of journalism. Since this was an international organization they received the club pin, a certificate of membership, and a bi-monthly magazine.

ART SERVICES

This year's Art Services Club was a great help to faculty and student body. Talented students volunteered their services to make charts for teachers, posters announcing activities, and decorations for such events as the G.A.A. Banquet, Fall and Spring Sports Award Banquets, and the Homecoming, Harbor, and Christmas dances. These students can be commended for their originality and talent in contributing greatly to our school events.

MEDICAL EXPLORER SCOUTS

LEFT TO RIGHT-M. Golding, S. Downs, W. Fogwell, J. Kent, L. O'Brien.

"You have got to go"

The Medical Explorers Scouts, who held their meetings at Hoag Presbyterian Hospital this year, gave all of their time to learning more about the different fields of medicine. There were guest speakers, mainly trained doctors, present at the meetings to talk about the different aspects of medical careers. The members witnessed and took tours around the hospital grounds and through the laboratories.

BUSINESS CLUB

Many aspects of the business field have been introduced through the Business Club. The club has spent much of its time on money-making projects with proceeds going toward a scholarship for one of the members. Other activities enjoyed by the club were a field trip to Orange Coast College Data Processing Classes. Many guest speakers have attended their meetings.

FUTURE TEACHERS OF AMERICA

Last fall members of the Future Teachers Club planned a field trip to U.S.C. for the Future Teacher's Conference. Their activities also included observing classes, listening to speakers who teach gifted children, and sponsoring money-making projects such as the sale of candy apples, doughnuts, and pencils to raise fifty dollars for a scholarship. The club, under the direction of Miss Hickey was formed to acquaint students with teaching as a career.

FUTURE HOMEMAKERS

The Future Homemakers Club this year worked toward promoting a growing appreciation of the joys and satisfaction of homemaking. It stressed democracy in the home and leadership in community life. Also a deeper interest in home economics was developed. During the year the club had guest speakers at the meetings and planned money making projects for club use.

HI-FLIERS

A newly formed club this year was Hi-Fliers. This club, which consisted of girls 5'7" and over, had such activities as singing Christmas Carols at Fairview State Hospital and putting on a fall fashion show for the Girls League. Mrs. Mauch, the Club's advisor, was aided by Julie Kaneaster, the president, in holding meetings every Tuesday afternoon.

BIOLOGY CLUB

The Biology Club this year was organized for students interested in finding out more about the study of life. These students entered their school projects in science fairs and took field trips. They heard interesting lectures given by many science teachers and made displays for classroom use.

RADIO ELECTRONICS

The Radio Electronics club was made up of students who were interested in ham and short wave radios. Collins Radio Company sponsored the club and donated equipment for research. Frequently, Collins had meetings for student ham radio operators with guest speakers. The club went on frequent field trips to compare and demonstrate their equipment to other schools. Costa Mesa has the most active and resourceful Radio Electronics Clubs in the entire district.

MEDICAL CAREERS

Scalpel... wrench... clamps...

Among the many worthwhile projects of the Medical Careers Club was their annual Christmas project in which they helped to make a joyous holiday season for a needy family in our area. Another important goal of the club was to award a scholarship to a student entering the field of medicine. With the valuable assistance of Mrs. Dilley, the club's advisor, the accomplishments of the Medical Careers Club were many and varied.

ON THE JOB TRAINING

On-the-Job-Training was composed of select business students from Costa Mesa High School. These girls participated in working situations at various businesses throughout the Costa Mesa-Newport Beach area. The girls went to their jobs once a week on Thursday, leaving after fourth period. Most of the girls were not paid for their services to these businesses but gained a great amount of experience.

KEY CLUB

The Key Club sought to bring out important qualities of leadership in its members. The club stressed the development of initiative and leadership, provided experience in living and working together, served the school and the community, and planned to prepare its members for their roles as useful citizens. The club's activities included various films, a booth at Marty's Corral, a concession at the Powder Puff Football game, and a car wash.

PEP CLUB

Trying to promote greater school spirit among the students of Mesa High was the task that kept the members of the Pep Club busy at games, dances, and pep rallies this year. The club was separated into groups that painted posters advertising the games, sold food and programs at the games, and put on skits introducing the players and depicting the opposing schools. Pennants, ribbons, bookcovers, and pins were sold throughout the year to keep the spirit high and bring in money to further club activities.

A CAPPELLA CHOIR

The A Cappella Choir was a group of approximately sixty girls from the sophomore, junior, and senior classes. The group, under the direction of Mr. Gerald Schroeder, did an outstanding job of building the good reputation of Costa Mesa High School through the high quality of its musical concerts. Among the fine achievements was a stirring Christmas Concert at Orange Coast College, combining the talents of the A Cappella Choir, Concert Choir, and the Orchestra.

CONCERT CHOIR

The Concert Choir was composed of about fifty select voices from our campus. These students brought enjoyment to their fellow students and to the community through their programs, which were held throughout the year. Also, a new group, named the Madrigals, was formed, which is composed of fifteen members of the Concert Choir. The choir was under the direction of Mr. Gerald Schroeder, with Mrs. Linda Shannon accompaning at the piano.

ORCHESTRA

Made up of exceptional students in music classes, this year's orchestra represented Mesa in many concerts and musicals. Among the concerts they played in were the school Christmas concert, the Spring Concert and the school musical. Accompanied by groups from the vocal departments, the orchestra had one of its extremely good years.

BAND

Helping generate school spirit was the job of the Costa Mesa High School Band. The members' lively playing was heard at all the football games and at many rallies held this year. Led by the drum major Rex Tomkins, the band members performed to the standards of perfection that was expected of all Mesa High Students. The band was under the outstanding direction of Mr. Duane Kieth.

The Hitching Post

Costa Mesa High School, Costa Mesa, California

Training students the fundamentals in basic journalism was one of the goals of the Hitching Post Staff this past year. The Hitching Post Staff was always working hard distributing the school newspaper every two weeks. One week before an issue came out they were working on the next, covering every department of school government and activities.

Under the supervision of Mrs. Ceal Langer, the Hitching Post's new advisor, the newspaper entered many newspaper contests and placed high in the top ratings. The newspaper brought many interesting articles and opinions to the attention of the students of Costa Mesa High School.

LETTERMEN

Letterman's Club worked on advancing the image of the Costa Mesa High School Athletics and promoted school spirit this past year. The boys had to letter in a sport, accept the Letterman's Constitution, and pass the initiation to belong to the club. For initiation, which lasted a week, the boys had to be slaves for a member. Many of the tasks the slaves had to do were embarrassing but, all in all, they had fun. This year the club had a dance with the Girl's Athletic Association. They also had an Invitational Diving Meet at our school. Schools from all over came to compete. At the end of the season they had a Sport's Award's Night.

Oh yeah!

DRILL TEAM

This year the Drill Team, under the leadership of Lynn Olson, brightened the halftime shows with colorful percision drills and formations accompanied by the band. Pompoms were added this year giving flashing movement and brightness to the routines. Boots were also introduced in keeping with the western theme of Costa Mesa High School. The Drill Team also continued with an annual raffle started last year at Marty's Corral.

Those who attended Marty's Corral, held immediately after the Powder Puff Football Game on December 5, found it to be a very enjoyable way to spend the afternoon. Marty's Corral, sponsored by the Junior Class, was as eventful as a real fair with its colorful games and food booths. Forty per cent of the proceeds went to the Junior Class Treasury for the Junior-Senior Prom. The twenty-one different clubs which participated in the activities kept the remaining sixty per cent for their own purposes.

This year's Varsity football team might have had an excellent season with a few breaks that could have made the difference in winning and losing. The high point of the season was when they had Garden Grove, Freeway league champions, beaten going into the final period, only to lose by one touchdown. Coach Dan Kimball's Mustangs had two All-Leaguers in Jim Ferryman and Steve Colflesh. Jim Ferryman was also chosen for second team defense, All-Orange County.

Coach Russ Larson's Junior Varsity team, managed one more win than the Varsity. Mike Dalton was most valuable player. Carl Glasgow was elected captain.

Both teams will form the nucleus for next year's Varsity, as many underclassmen were key players on their respective teams.

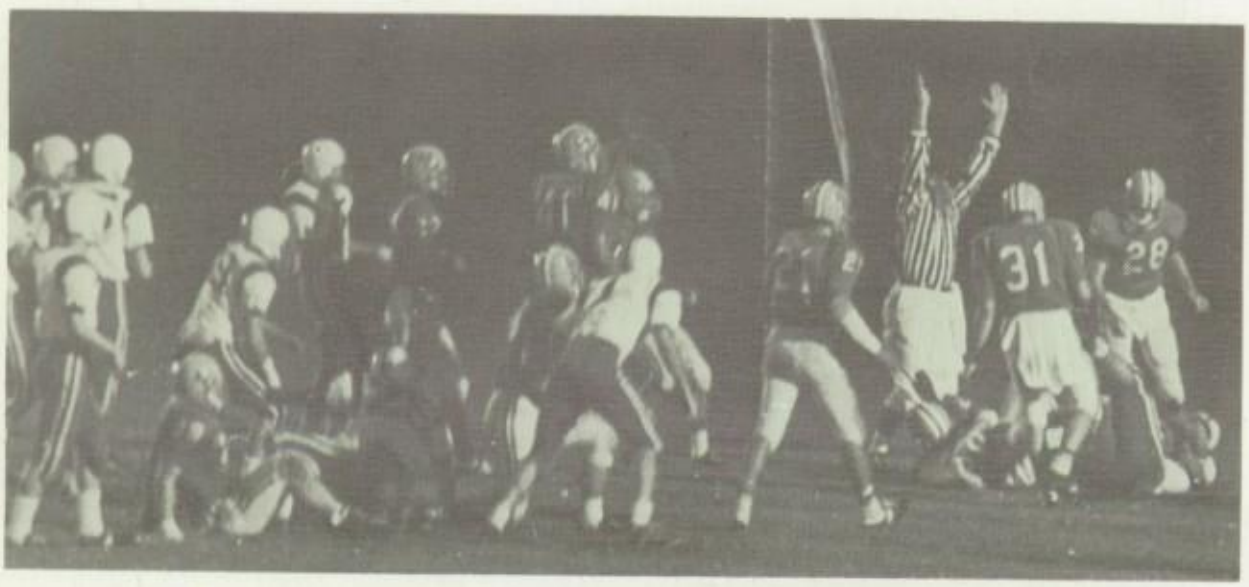
COSTA MESA VS. MARINA

In beginning their season the Mustangs lost to defensive-minded Marina of Huntington Beach. John Ball playing tailback was the offensive standout for Costa Mesa, rushing for fifty-four yards. Jim Ferryman led the green and white defense to an outstanding performance, holding Marina to one touchdown, and causing the winners thirty-one yards in losses.

COSTA MESA VS. TUSTIN

Northrup Field was the scene for the latest of the Tiller-Mustang series. Tustin winning both previous contests, and proving to be on top again. Mesa led by John Ball and Pat Doldo was in scoring position on five occasions, but Tustin held when it counted. Mesa's defense was again one of the bright spots of the game recovering three fumbles and throwing the Tillers for forty-nine yards in losses.



COSTA MESA VS. BOLSA GRANDE

Traveling to Garden Grove, Mesa was defeated after a short lead in the first half. Clyde Graham scored Mesa's first touchdown of the season, on a tackle-eligible play from Dennis McGavack. On the defensive team, Jim Erwin had a couple of good punt returns, although he was encircled on each kick by the Matadoors, who have sprint champ Randy Julian at halfback.

COSTA MESA VS. GARDEN GROVE

At Davidson Field for their first home Freeway league encounter, Costa Mesa held a fourteen to zero lead at the half. Scoring was by Jerry McPherson, Dennis McGavack, Jim Dryden, and Randy Wilson, Jim Ferryman broke a school record with nineteen unassisted tackles and helped on eight others. He also recovered a fumble. Steve Steward recovered an onsides kick and killed an Argo drive by intercepting a pass.

COSTA MESA VS. FULLERTON

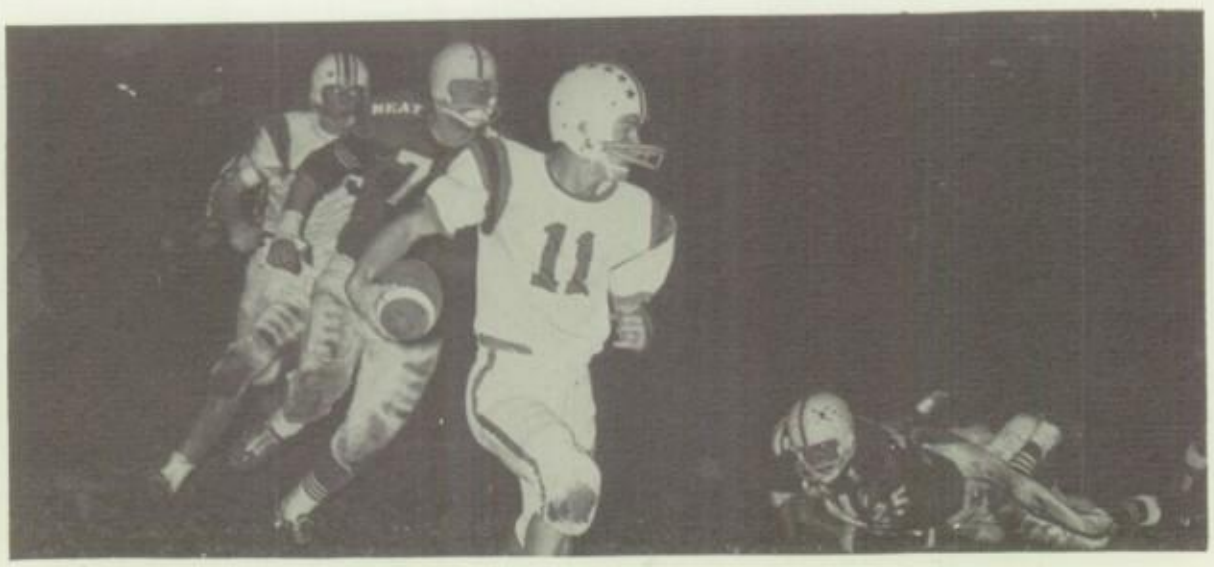
Costa Mesa lost its fifth straight of the season to Fullerton at Davidson Field. Dennis McGavack had a fine night for his passing, hitting for eight out of ten, for 122 yards. Steve Colflesh, the split end, caught a McGavack pass for a touchdown, Mesa's only score of the evening. Last year Mesa lost to Fullerton at O.C.C. by a twenty-six to nothing count.

COSTA MESA VS. ORANGE

Led by Scott Gatzke's passing and John Ball's running, Mesa almost pulled and upset over Orange at Chapman College. Ball ran sixty-seven yards for a touchdown with McGavack getting the PAT. Steve Colflesh got the second TD on a pass from Gatzke. Ball gained 110 yards total, and Mesa had their best showing of the year in ground gaining with 212 yards net total.

COSTA MESA VS. BUENA PARK

At Buena Park for their sixth league game, Mesa couldn't get a good drive started, as they lost for the first time in league play by a shut out. Carl Glascow was really the only bright spot in the game for Mesa as he came off the bench in the closing minutes to get a drive going with short passes. The Mustangs drove to the Coyote twenty yard line before the gun sounded to end Mesa's hopes.



COSTA MESA VS. NEWPORT HARBOR

Newport beat Mesa for their second win of the series and the Mustangs for the first time had to relinquish the trophy. Dennis McGavack gained fifty-eight yards, most of them on a long run around left end. John Ball and Pat Doldo also carried for good yardage. Jim Ferryman led the defense to cause Newport to lose the ball twice and throw Newport quarterbacks for thirty-six yards in losses.

WATERPOLO

VARSITY

The 1964 Varsity Waterpolo team won their share of league games and finished in the middle of the pack. Steve Henkle, Bob Frey and Kip Snodgrass were standouts this year as they brought home the consolation trophy in the Garden Grove Waterpolo Tournament by winning two games on the last night of competition. Ron Myrick received this year's Most Valuable award. The future also looked good as many of the players were underclassmen and were consistent team members. The team outlook was good and each member contributed greatly with not only playing but cheering the others on when they were finished for the day.

CAPTAIN R. Ericson

The Bee waterpolo team had a winning season and finished high in the league. One of the highlights of the year was the upset of Buena Park, 11-7 in the Buena pool. John Hutcherson and Steve Scott were among many fine players this year.

The Cee team fared well and its desire stood out more than most other teams in the league. Tim Sawyer led the team to quite a few lopsided wins. They beat Westminster 13-0 and Lowell 17-8 with a great lift from freshman Randy Henkle.

The Varsity and Junior Varsity cross country teams failed to come out on top in any of their meets this year, although many of the JV meets were close. Jerry McKenna and Richard Huber led the Varsity. The Junior Varsity team was held together by Richard Hange, Ed Hange, Bill Meullar and Ray Koschzek. This team provides the nucleus of the track team's distance runners.

BASKETBALL

This year's Mustang Varsity had one of its best records since the days of Mike Lange and the Cinderella team that reached the CIF semi-finals. The fourth place finish was not an indication of how the team played. The 12 win, 12 loss record was kept from being 16-8 by four upset losses. The first Harbor game resulted in an upset 54-52 win as the Mesans downed Newport, then second in the county. A capacity crowd saw the Mustangs led by McGavack come from behind to outscore the Tars 23-13 in the last period. Dennis McGavack scored 15 points and Tom Read 12 in the win which marked Rick Mancebo's return to Mesa. The second game with Harbor went into the books as a 79-69 loss to our crosstown rivals where Moran, Read, and Turley each received five fouls. The team got thirty-three in all. One of the high points of the game was when Craig Falconer and Steve Turley took turns holding ex-Mesan Rick Mancebo to one point. This gave him four this year against Mesa. In league play he averaged 10.4 per game.

Earlier in the season Tom Read set a school record with twenty-five rebounds breaking the previous record of twenty-three set by Mike Lange, of Arizona State, and Gary Carr, of Washington. Craig Falconer had the team high for a single game with twenty-six against Buena Park. The same game was also the scene for a new record of 81 points in one game breaking the old standard of 79 set last year against Fermin Lausen. The first game of the year was a 71-69 win over Huntington-Marina, the first win over Huntington in school history.

Coach Jules Gage felt that this year's team was the best the school has ever had and announced that Tom Read was named to the all league team by a vote of the Freeway League coaches, he was also named team captain and most valuable player. Bruce Chapman was voted most improved by the rest of the team.

JUNIOR VARSITY

The Junior Varsity, coached by Tom Chivington, had one of the best records in Mustang annals. The team missed the championship by about two games. They were the only Mesa basketball team to beat Newport twice. Steve Jacobsen, possible Varsity material, sparked many last minute drives with his new moves and outside shooting. Bart Carrido was one of the best shooters in the league. To the fans' delight little (5'7") Carrido drove underneath and flipped up many a shot through the bigger opponents. Mark Laney, the most rugged rebounder on the team, took down 14 against Buena Park. Ed Babiuch was high scorer in several games. Carrido was voted Captain and Most Valuable by the rest of the team. Fred Forgie was Most Improved.

COACH WILLIAMSON

BEE

Coach Ken Williamson's Bee team had its share of losses this year but this was because of last year's Cee team members jump to Junior Varsity, leaving only a few with the Bee's. Don Crowley led the scoring in the majority of the games as he hit for over twenty, many times. Ron Moss was the play-maker for the team for most of the season and he hit for baskets many times that turned the tide to the Mustang's favor. When Moss was out in the middle of the season, Jeff Kazmer took over and hit for 12 points in his best game. The team set a scoring record of 75 points against Garden Grove. Moss was voted team Captain and Crowley was Most Valuable, Allen Herman received Most Improved.

This year's Cee team was coached by Wilmer Hokanson, a new coach in his first year here. His Cee's finished second to Newport as they lost the last game of the season by two points in a heart-breaker. They had only three losses in league play against eleven wins.

Starters Roger Whistler, Bill Moran, Kris VanHook, and Jim Stanfield were amazing in certain games. Against Garden Grove they held the Argos to 0 while scoring 16 points for Mesa in the start of their second league game. Don Farris, the fifth starter, kept many games from becoming losses by his defensive work. The team's high scorer was Bill Moran.

Whistler was voted captain by the members of the team, Moran, most valuable, and Art France received most improved.

This year's golf team coached by Mr. Jim Miller looked like a fine team and had a chance to take the league. The team beat Bolsa by over twenty points in the first league match. Kermit Christman scored in the seventies to become low man.

The team had no seniors, so they have a good chance of running away with the league next year. They practiced from sixth period to dark every day at the Mesa Verde Country Club where they also held their home matches.

COACH PARSONS

The 1965 Mustang Varsity came into the season with a good team but with little experience. They had at this time beaten Huntington and Bolsa Grande. The team had a few returners. Mike White, last year's leading hitter, looks destined for all league honors by his performance thus far. John Clay and Mike Madrid were two starting pitchers returning from last year. The outfield is dotted with returners such as Dennis Leyerly, Rick Oliver, and Randy Wilson.

This team should go far this year with the talent it has shown. Coach Parsons has shown the team quite a few new things as he finished his collegiate ball playing days not many years ago.

Coach Chivington's varsity tennis team had the talent to take the league with a couple of breaks. They finished second in the Orange Coast tennis tournament, with Dan Robinson and Bill Cline taking the honors. The junior varsity looks very strong and we should have some good teams next year if we don't lose too many boys to Estancia.

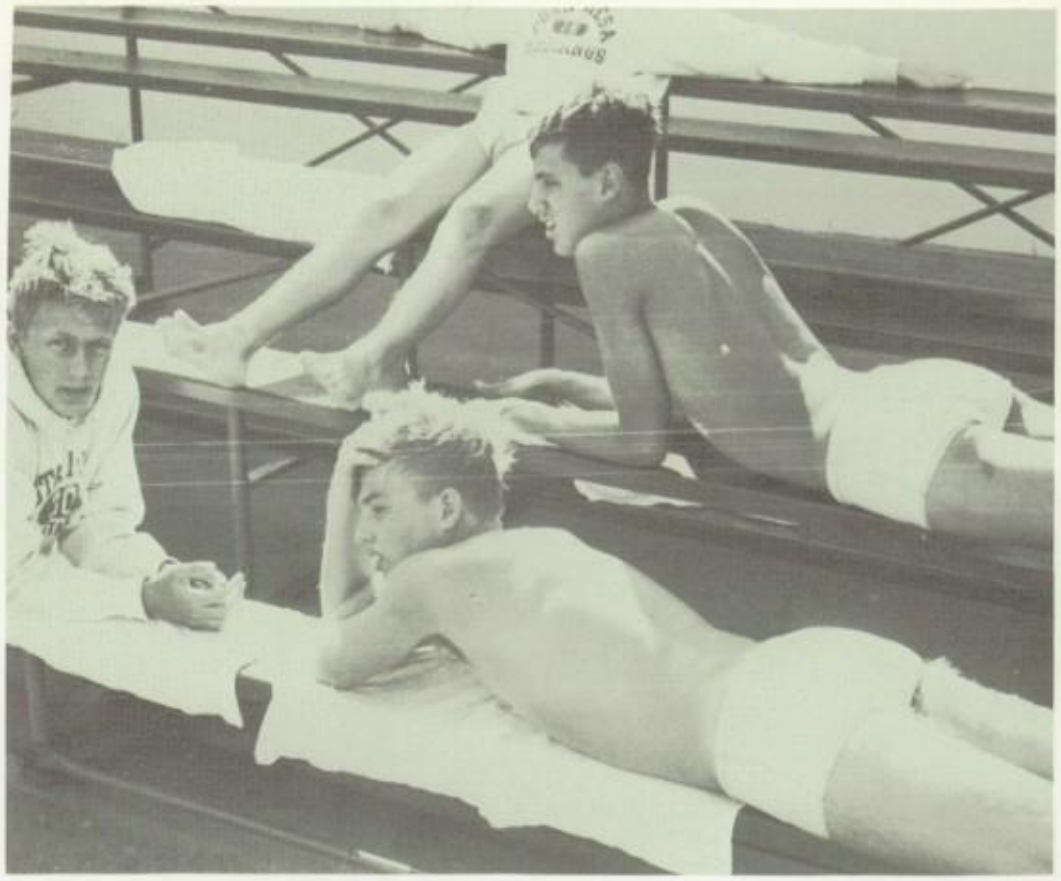
VARSITY

The Mustang Varsity swimming team, vintage 1965, looked like a good third or better place in the league, which was one of the best leagues in the nation. The Varsity record up to printing time was seven wins and one loss. They are still undefeated in league action and this is due to the high caliber of swimmers who have set and reset school records in several different events. The boys practiced hard in before and after school workouts. Coaches Lowry and Utter felt that this was one of the best Varsity swimming squads Mesa has had.

COACH LOWRY

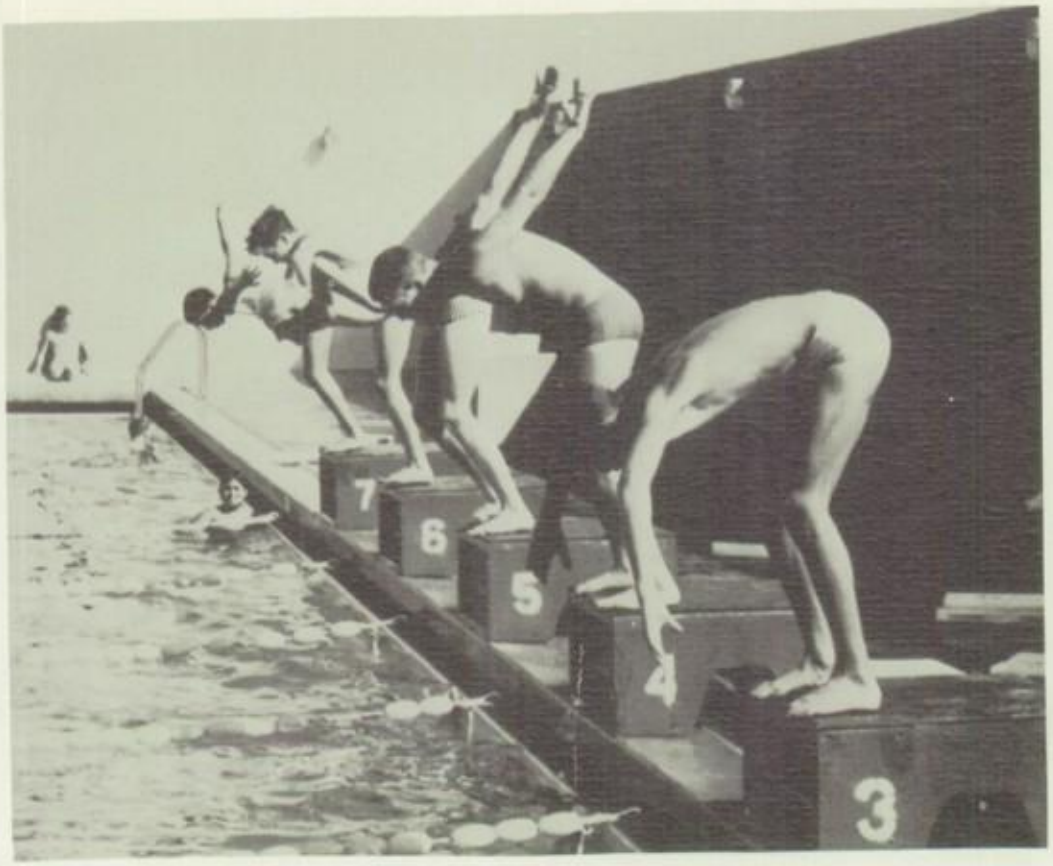
COACH UTTER



BEE

The Mustang Bee team sent six men to the CIF Relays, Ron Myrick, who had already set records in the Butterfly, John Hutcherson, Frank Rice, Paul May, Russ Erickson, and Steve Scott. They placed high with a good time of 2:29.8. The Bee record to date is six wins, one loss, and one tie. They showed the depth of a team that should finish high in the league.

ROW 1: R. Bald, P. May, R. Erickson, M. Gerner, T. Anthony. ROW 2: F. Rice, A. Mihaylo, T. Venable, D. Mitchell, G. Enes, J. Rossi.



CEE

The Cee team was made up mainly of freshmen and sophomores. Tim Salyer and Randy Henkle have been the high scorers so far in league meets. As swimmers progress in their times they may go up to the Bee's which gives many new boys a chance to swim in competition. The record so far this year has been five wins and three losses, but this record is sure to improve as the more inexperienced boys improve their swimming times.

Coach Russ Larson's Varsity track team this year was probably the strongest the school has ever had. So far this year, the team led by hurdler Jerry McPherson, has met defeat only once by the defending champions, Bolsa Grande. McPherson has already broken two records. Mike Meehan, besides being the best shot man, also had a top high jump of 6 ft. Brent Turner and Barry Kazmar were second and third in the high jump. The Relay team of John Ball, Bill Dunn, Jeff Krumpermann, and Larry Maland had unofficially broken the 880 relay with a time of 1:31.8 at Southern Counties. Les Bland is the top vaulter at 12'6".

The Mustang Bee and Cee teams up to publication time are still undefeated. Several school records will probably be broken before the season is over.

SWIMMING

The G.A.A. swim team was composed of excellent swimmers, many of whom had competed in meets prior to this season. They worked very hard to prepare themselves for the many meets they participated in. They did this by holding long practices twice a week which, along with their school spirit, contributed to their great success at meets with other schools in the county. The swim team defeated both Westminister and Laguna and also took part in the Fullerton Relays. Those girls deserving special recognition are Lee Saulnier for the most valuable, Marsha Yeager for most improved, and for the most valuable diver, Rose Means.

TENNIS

A tremendous effort was shown this year by the G.A.A. tennis team. They developed their skills as well as their sportsmanship. Those girls deserving special acknowledgement were Jan Kent, best singles player, and Jackie Miller and Pat Noggle, top doubles team. Mesa is proud of the fine job this team has done during the past season.

BASKETBALL

The G.A.A. Basketball Team's skill and enthusiasm paid off this year during the annual basketball play day. The Play Day was held between Newport Harbor, Laguna Beach, Corona del Mar, and Costa Mesa High Schools. They practiced everyday during sixth period and after school twice a week.

HOCKEY

The G.A.A. Hockey Team showed great teamwork and a tremendous effort in play this year with the help of their team captain Carol Way. Costa Mesa played host to Laguna Beach, Corona del Mar and Newport Harbor at the annual Hockey Play Day in which Costa Mesa placed third. Practice was held every day at sixth period, and twice a week after school.

VOLLEYBALL

The G.A.A. Volleyball Teams this year were composed of girls who were interested in being involved in an exciting and very active outside sport. These girls stayed after school two nights a week and competed with other teams and gained many victories at the annual playday, at which Costa Mesa High played host to Laguna Beach, Harbor and Corona High Schools.

This year there was a new technique introduced to the players. This was the fisted dig which proved to be very effective with the wins obtained.

MODERN DANCE

This year's modern dance group in G.A.A. learned many new skills in the art of dancing. This group was composed of girls who were interested in learning more about the ways dances are put together and arranged with music. The modern dancers learned different styles of movement so that a different mood or expression could be shown. Some of the girls in modern dance attended after school programs that concerned modern dance projects.

SOFTBALL

A very active schedule was seen by this year's G.A.A. Softball Team. The captain, Sharon Latimer, kept her team in top condition with various fielding and batting exercises. A tremendous school spirit and good sportsmanship was evident at their playday, held May 12th, against Laguna, Harbor, and Corona.

BADMINTON

Teamwork and sportsmanship were the goals of this year's G.A.A. badminton team. The girls used their ability to produce a great team and enjoyed playing co-educational badminton after school as an extracurricular activity. The badminton team showed great skill this year and as always was filled with school spirit and enthusiasm.

1965

This year the advisors of G.A.A. chose Darleen Brown as Girl of the Year. She was given this award because of the outstanding work she accomplished within the many activities of the association. She was accredited with being the President of G.A.A., and she was a member of the Swim Team and Senior B Volleyball Team. Other activities included noon activities committee where she took part in many of the projects put on during the lunch hour. Darleen was interested in the Hula and Tahitian dances which she performed at many of the G.A.A. presentations and school functions.

POWDER PUFF

This year, Mesa held its second annual Powder Puff game between Junior and Senior girls. The game was close, and neither team was able to score, but victory was given to the Seniors on the basis of first downs and yardage gained. On the Senior team, Linda O'Brien and Lana Been were captains, Pat Willis was Most Valuable, and Jo Forman was Most Inspirational. On the Junior team, Joyce Brown and Donna Fuller were captains, Elaine Bennett and Corrie Schadee were Most Valuable Offensive Players, and Diane Guffy and Wiona Schonert were Most Valuable Defensive Players. At a special assembly, the Seniors were awarded the Powder Puff trophy, and the Juniors received the crying towel.

Now remember, our goal is the one with the pink trim.

Well don't get mad at me!

Haul, O.B., haul!

Songleaders a go-go.

Come on Lillylips!

Come on team, it's not that bad!

That's my toe you stepped on!

The future is something that all of us fear and welcome. It is feared because it is unknown and welcomed because of its promise. Yet while looking forward we say to ourselves that we will always remember the past but memories dim and we soon forget. To help you, the students of Costa Mesa High, to keep this past year's successes and failures alive with you in the future, the 1965 ROUNDUP is proudly presented.

Most people have little idea of the work that goes into the making of the history of a school year, but to those of us who worked on this book, we can look back on the trying times and say it was really worth it after all. The finished product is the result of many people's brainstorms, dreams and just plain hard work. Great appreciation goes to everyone for their help in making it all possible.

The greatest thanks goes to Mr. Levering, our advisor, who listened to all complaints and disputes and gave much needed advice in times of disaster. Mr. John Thomas, our yearbook representative also had an almost impossible job, that of straightening out all of our mistakes and seeing that our yearbook received the best consideration. Without Mr. Swenson, our photographer, there would not have been a yearbook. The entire staff deserves a note of thanks for all the help they gave in assisting with all the odds and ends that are needed in producing a yearbook.

We of the ROUNDUP Staff sincerely hope that you will enjoy this ROUNDUP for many years to come.

Shirley Isner

The success of the ever popular Senior Play, "Our Hearts Were Young and Gay," was due to sheer genius on the part of the cast and stage crew. The play takes place in the early 1900's and is more or less a true account of two young naive girls traveling to Europe aboard the S. S. Rex.

Special recognition should go to Mrs. Julie Pinchin for her active part as faculty director and to Mrs. Alice Smith for her hard work on the orignal settings and props. Jeannie Bruins and Cynthia Price deserve special credit for their accompanyment on the piano.

A remarkable impromptu performance was given by Shirley Isner in the role of Emily when Joanne Greatorex became ill. Originality and perseverance prevailed throughout her entire performance and hilarity was the order of the day.
